STATSPEC

Mr. Sourwine also asked if we had any information as to whether the alleged war plans which were sent to a German publication were the product of a paper mill or whether they were, in fact, from official sources. I said I would look into this.

2. (Confidential - JMM) Called Roland Paul, Senate Foreign Relations Committee ad hoc Subcommittee on U.S. Agreements and Commitments Abroad staff, regarding his request for the names of Agency officers who might be called in from abroad to testify before the Subcommittee. I said I had raised the matter with the Director and because of certain problems involved the Director would prefer to discuss it with Senator Symington personally. Mr. Paul said he would mention this to Senator Symington, but nevertheless would like me to provide the names requested so that he could move quickly once approval was given. I demurred explaining that we had better resolve the policy matter before we proceed with specifics.

3. (Unclassified - JMM) Robert Michaels, Staff Assistant, House Appropriations Committee, called and requested a copy of the script of the NB C television program on the Pueblo. I said I would send him a copy.
